

2. Operating Rules and Solicitation Policy

Requests to be placed on the Board Agenda or General Meeting Agenda must be made to the Board Chair, or other Board Member, at least one week prior to the meeting. The Board may waive the time period where circumstances require it and the Agenda allows. Upon receipt of the request, the Chair will:

1. Handle it, if possible,
2. Defer the issue to one of the committees whenever possible or
3. Place the item on the agenda

Solicitation proposals will not be presented to the Board unless approved first by a Committee and submitted by the Committee Chairman or the appropriate Director.

The Club will not sponsor or support events that are of a political or religious nature.

Only Board approved solicitations will be allowed at any Quad City Singles 40 Plus function. Unapproved solicitors will be asked to discontinue the soliciting and/or to leave the event.
